

# How to: Copy and paste a website link into the Wish Form

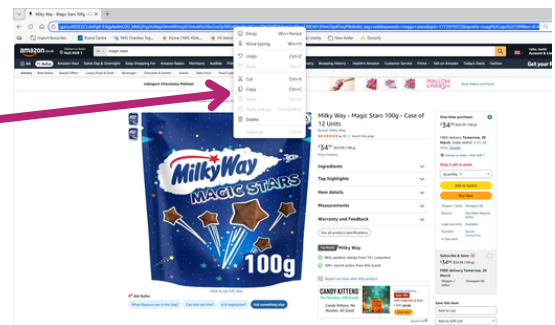

Identify the specific website page for the item you are wishing for.

Left click with your mouse on the website address at the top of the page to highlight it (you might need to click more than once to make sure you highlight the whole address).

You can either press CTRL and C on your keyboard or right click with your mouse on the highlighted section and a drop down box will appear where you can click on Copy

On the Wish Form, either press CTRL and V to paste, or right click on your mouse and choose 'paste'
